\*Designates State Championship category

\*\*Promoter may adjust start times and courses in advance of event, please check event communications the week prior for latest details.

**State Championship Eligibility: Winners will receive State Championship medal and jersey.** Only current USAC annual licensees who are USA citizens or permanent residents and reside in the local association area known as BRAC as shown on their license are eligible to compete for the State (BRAC) Championship Title. Professional men and women are welcome to race, but are not eligible for State (BRAC) Championship title, medal or jersey.

**Race Rules:** This is a USA Cycling sanctioned race requiring USAC annual or one day license and subject to USAC road racing rules. Junior gearing and RR bike limitations apply.

**Course Description:** 36, 53, and 80 mile routes on the roads around Steamboat Springs. When you're not gasping to hold the wheel in front of you, take notice as you speed along beautiful pavement while crossing in and out of the 3 dirt sectors. All course lengths will climb the dirt of Col du 179 with 53 and 80 mile courses heading out for an additional 4th dirt sector.

**Support:** This could get rough, so we suggest sturdy 27mm+ tires, along with packing spare tubes, pump, Co2. Neutral support will be on course, however it's a big course with a lot of riders, so be self sufficient. Additionally you can expect on race day - sag vehicles, on course aid station, corner course marshals, USAC moto officials, Colorado State Patrol, on course standby ambulance, and finish line medical.

**Weather:** Spring in the Rockies can bring wet weather, even snow, but historically our roads are dry with temps in the 60's. Come ready for nasty conditions as the race will be run as long as you can pedal a bike. If something extreme and out of our control forces cancellation of the race we are able to refund participants back 75% of their entry fee.

**Cancellations/Refunds:** If you need to cancel, we'll give you a full refund (not including bikereg fees) through April 15th. After April 15th no refunds are possible. Participant registration fee insurance is available via bikereg.

**Pre-Registration:** online at [www.bikereg.com/steamboatroubaix](http://www.bikereg.com/steamboatroubaix) \$65 through Wednesday May 27th 11:59pm Mtn time.

**Race Day Number pickup & Registration :** Starting at 6:30am and closing 45 minutes prior to your group start time. Day of entry fee will cost \$75 adults/\$50 juniors.

**Licenses & Waiver :** All riders must have USAC racer license. A '1-day' beginner license is available at \$10 for Category 5 and junior racers, a \$25 1-day license available for any previous USAC license holders. All in state annual license holders subject to a \$5 1-day Colorado racing license. All participants must sign the release waiver with parent/guardian present for anyone 18 or younger.

**Directions :** Race registration, number pickup, toilets and parking, will be located in downtown Steamboat Springs at the Howelsen Hill area. More info available at [www.bikesteamboat.com/roubaix](http://www.bikesteamboat.com/roubaix)
